Education

Florida State University, **Cumulative GPA: 3.5**
Bachelor of Science in Information Technology

Tallahassee, FL
Anticipated: Spring 2018

Work and Volunteer Experience

Clown Kapers Inc., Webmaster Intern

Tallahassee, FL

January 2016 – October 2016

- Maintained a website associated with a local firm in the Tallahassee area through updating site content and fixing navigation errors that resulted in a better experience for visitors.
- Improved site navigation that resulted in better experiences for end-users.

F.S.U. Community Outreach Group, Program Coordinator

Tallahassee, FL

November 2015 – August 2016

- Connected COG members to other student organizations at FSU such as AITP, STARS Alliance, FITC, WISE, and CGS.
- Planned for events, communicate with other COG members, and help the organization fulfill a goal of teaching technology concepts to senior citizens, middle, and high school students.

Florida IT Career Alliance, Student Ambassador

Tallahassee, FL

September 2014 – September 2015

- Assisted in providing support for a local high school engineering team for an engineering competition.
- Created PowerPoint presentations pertaining to various STEM related topics, which were then used to help local citizens understand topics such as cloud computing, social media, and web development.
- Cooperated with several other FITC members in the development of content designed to educate students about the possible STEM related career opportunities within the state of Florida.

Palm Beach County School District., Information Tech. Intern

West Palm Beach, FL

June 2013 – July 2013

- Facilitated information technology department's migration of numerous websites to a new responsive layout called Bootstrap, which led to better experiences for the school district's 200,000+ mobile users.
- Assisted IT staff with teaching district employees how to edit web content using the new responsive web layout Bootstrap, which improved the quality of the training sessions for webmasters.
